

## Agencies Receiving Federal Quota Funds Due Under an Act to Promote the Education of the Blind, Fiscal Year 2019

The Federal Quota Program was initiated in 1879 by the Federal Act to Promote the Education of the Blind. This program is a means whereby a per capita amount of money is designated for the purchase of educational materials for each eligible student registered through an established Federal Quota account. These Federal Quota accounts are maintained and administered by the American Printing House for the Blind (APH) and its Ex Officio Trustees.

The Federal Quota Registration is the census that records students who are eligible to receive materials provided by the Federal Act to Promote the Education of the Blind. This census is conducted through the Advisory Services portion of the act. Detailed census data for FY2019 is available at the following link: <https://www.aph.org/distribution-of-students/>

### Appropriate Use of Federal Quota Census Data

**NOTICE: For Press Members and Researchers/Teachers: The number of students who read braille in the United States CANNOT be determined from this data.**

**Before citing these figures in a publication, please contact APH:**

- Press Members: [communications@aph.org](mailto:communications@aph.org)
- Researchers/Teachers: [censusdata@aph.org](mailto:censusdata@aph.org)

The specific purpose of the annual Federal Quota Census is to register students in the United States and Outlying Areas who meet or function at the definition of blindness and are therefore eligible for adapted educational materials from APH through the Act to Promote the Education of the Blind.

**Statements regarding student literacy, use of appropriate learning media, and students taught in a specific medium cannot be supported using APH registration data.**
